

COME AND STAY UNDER OUR OUTBACK SKY

Here in Longreach, wonderful experiences await. From our town's famous attractions to seeing a kangaroo venturing out at dawn or dusk, you'll know you're in the real outback.

Make sure you stay at least a few days to cruise the Thomson River at sunset, meet the locals at the award winning Smithy's dinner and show, learn about the fascinating life on an outback station, or if you are up to it book a flight on the Longreach Legends scenic helicopter flight.

Make yourself at home in our spacious park with sites and accommodation for everyone – and great facilities including two swimming pools and an onsite restaurant.
